Washington, D.C. 20500

Dear Mr. President:

Knowing your interest in the ability of the Soviet economy to stand up under the massive military burden it is carrying, I thought you might like to read, as you fly west, this Estimate on "Dependence of Soviet Military Power on Economic Relations With the West."

I am pleased to see you and Nancy getting away for awhile. Sophia and I wish you both a Happy Thanksgiving.

Respectfully yours,

Bill
